

## PUBLIC MEETING NOTICE

The City of Raleigh is currently working on a Storm Drainage Improvement Project in your area and is gathering information for preparation of the existing drainage system analysis including City-maintained pipes and ditches. A public meeting has been scheduled for **December 15, 2011** to discuss the scope of the proposed drainage study, the timeframe for completion of the project, and to answer any questions you may have.

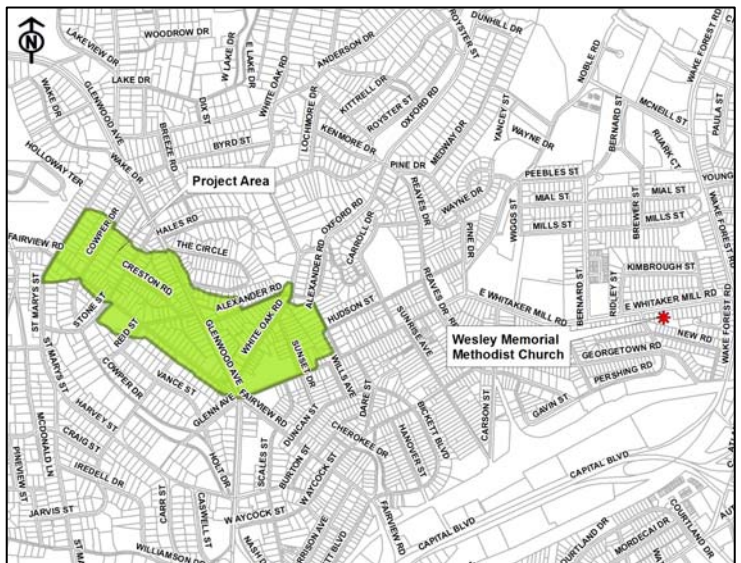

**Your input is critical to the success of the project!**

There are several ways to respond:

1. Complete the questionnaire located on the back of this notice and return it to the following address:

Ms. Cordis Thompson  
Project Engineer II  
City of Raleigh  
Post Office Box 590  
Raleigh, NC 27602

2. Bring the completed questionnaire with you to the public meeting.

## You are invited!

**December 15, 2011**
